

Nestled below Bodega on Main at 1014 Main Street, Gran Reserva is a hidden gem of a space conveniently located along Vancouver's vibrant and eclectic Main Street. It offers a private dining room separate from the bustling restaurant above, while still maintaining the modern vintage vibe that our customers have come to expect.

Gran Reserva is able to accommodate 45 plus guests, and its flexibility allows for any kind of private event and provides a welcoming space for family, friends, and colleagues alike. We also offer various reception options with our cocktail party and family style menus, which have been carefully designed to include authentic Spanish dishes as well as some exclusive additions. You can also enjoy an impressive selection of Spanish wines, sangria, craft beers and handcrafted cocktails from our downstairs bar.
